

## 2022 Summer Food Service Program

As of now, USDA is not allowed to extend any waivers.

What does this mean? This means that the Summer Food Service Program will go back to running the normal program.

Will Ogden Community School District provide 2022 summer meals? No.

Why will there not be any summer meals? In 2017, Ogden qualified for summer meals because of census blocks being low income. Once we qualified in 2017, we were eligible for the next 5 years. The 5-year eligibility ran out last summer, 2021.

Could this change? Yes. If USDA changes the guidelines or if we would have census blocks or 50% free and reduced, then we might be eligible.
