Create Your Family Account

The first time you register a student for an activity on Bound you will be asked to create your Family account. You can add multiple Students and/or Guardians to your family account.

Create your Family Account by entering in your name, your Family last name and other requested information. *You will only be asked to complete this step once.*

The screenshot shows the 'Family Account' registration page for the SOUND platform. At the top left is the SOUND logo, and at the top right is a user profile icon. The main heading is 'Family Account' with a subtext 'Setup your family account for registration.' Below this, there are four input fields: 'User First Name', 'User Last Name', 'Family Name', and 'Email'. The 'Email' field is pre-filled with 'nathan@bild.org'. There is also a 'Phone' field. Below the input fields is a yellow box containing a checkbox and a list of terms to certify: 'I certify that I: am at least 18 years old, am the parent or legal guardian of the student I will be registering, have read the Privacy Policy, and have read the Terms of Service.' At the bottom of the form is a green button labeled 'Create Your Family Account'.

Create Your Family Account

Add a Student to your Family

To add a Student to your family, click on the plus button in the Student section and then enter in your student name in the search field to find your student.

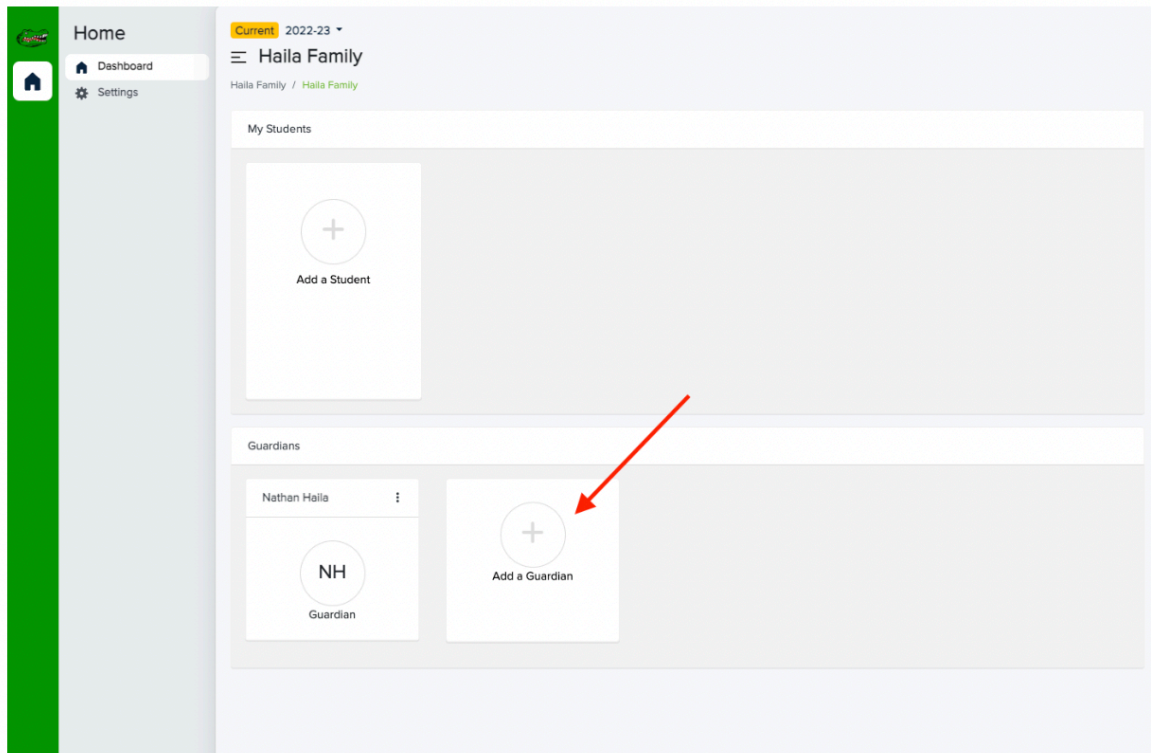

If you need to search for your student in a different school, click on the "Change School" link in the right hand area of the box.

If you cannot find your student at the school, you may add your student manually to the school by clicking on the "Add Student Manually" button.

[OPTIONAL] Add Additional Guardians to your Family

To add additional Guardians to your family, click on the plus button in the Guardian section and then enter in the requested data for the Guardian. You may also send the Guardian an invite email, which will allow them to create their own Bound account. As part of the invite process you will be asked to set the level of family access each guardian has.

Choose the Activity to Register For

Click on the "Register" button next to the activity that you wish to register for. Follow the instructions to provide the appropriate information as requested by your school.

Once all the steps are completed, you will have successfully registered your student for this activity. Repeat this process for all the activities that your student needs to register for.

The screenshot shows a web interface for a student named Sam Gaviglio. On the left is a green sidebar with navigation icons and labels: Student, Dashboard, Documents, Guardians, Service, Student, Followers, and Users. A red arrow points to a green 'Register' button next to the 'Football Registration' entry in the '2022-23 Registrations' table. The main content area has a header with 'Current 2022-23' and the user's name 'Sam Gaviglio'. Below this is a breadcrumb trail: 'Halla Family / Sam Gaviglio / Dashboard'. The '2022-23 Registrations' table lists two activities: 'Baseball Registration' (Status: CLOSED) and 'Football Registration' (Status: OPEN). The '2023-24 Registrations' section shows 'No registrations for 2023-24'. At the bottom, there is a section for 'My 2022-23 Activities' and a 'Quick Links' box.
