OGDEN COMMUNITY SCHOLARSHIP FOUNDATION

What is the Ogden Community Scholarship Foundation?

A non-profit Foundation organized by citizens in the Ogden community in 1964. The group's purpose is to promote higher education through scholarships. We are supported by alumni and friends who are interested in advancing educational opportunities for our young people.

Who is eligible for a scholarship?

Any graduate of the Ogden High School that is seeking post-secondary education at an accredited university, college, community college, trade, vocational or specialized school is eligible.

How are scholarships granted?

All applications are reviewed by the Board of Directors of the Foundation. The approval of a scholarship requires a majority of the directors voting in favor of the application.

Why is the Foundation needed?

Many high school graduates have the ability and the desire to continue their education, but inadequate finances may cause a road block. Scholarships from the Foundation help break down the barriers and encourage young people to consider advanced education or specialized training.

How can you help?

The Foundation is supported by private donations. We would like for you to consider a gift to the Ogden Community Scholarship Foundation. Your gift will support our goal to provide scholarships and encourage our Ogden High School graduates to continue their education.

All gifts are welcome and may be of any size, from a few dollars to large estates. We recommend consulting with your tax preparer or attorney regarding tax deductibility of any gift. Suggested gifts include:
