Lawrence and Bernice Wolf Memorial Education Scholarship
2027

For students looking to go into the field of Education.

A scholarship has been established with the Ogden Community School district in honor of Lawrence and Bernice Wolf. This scholarship is administered by Immanuel Lutheran Church in Ogden through an estate gift from May Anderson. May was a sister to Bernice Wolf who was an active member at Immanuel/Swede Valley Lutheran Church.

Throughout her life, May was a very generous and giving person. May was born on the family farm west of Madrid, Iowa, graduated from Madrid High School, and attended Drake University. For five years, May was employed as a rural school teacher in a one-room school building. She was also employed as a medical aid with the Madrid Home for 35 years, retiring in 1988. May continued to volunteer at the Home after retirement. She was an avid nature lover and conservation buff and was interested in people, politics, art, reading non-fiction and poetry, classical music, and gospel songs. May enjoyed collecting and sharing old cartoons and was a prolific letter writer with a great sense of humor. May's love of education, her church, and her sister led us to create this scholarship in her honor—there may be up to four scholarships awarded each year totaling $5,000 each if sufficient funds are available.

Scholarship Details:

- Scholarship focuses on students pursuing the field of further education
- Scholarship focuses on graduating Senior for Ogden High School with a GPA of 2.5 or above
- Awards will be presented at Senior Class Night
- A check for tuition will be sent to the college/university; the award can be divided into two checks--one for each semester if desired

Application Procedure:

- Complete the application form and short answer questions
- Include one letter of recommendation
- Submit application to Ogden High School Office by April 1
