

The Ogden Men's Club Scholarship

The Ogden Men's Club was created with the ideals of community participation and betterment. One of the best ways to give back to the community is through supporting our youth by contributing to their continued education. To that end, we have chosen to make a financial commitment in the form of a scholarship(s).

This scholarship shall be awarded with a focus on participation and service to others in the Ogden School District, community, workforce, and/or religious activities.

Application Procedure

1. Fill out the application form completely,
2. Complete the list of Ogden School District activities
3. Complete the list of community activities, church services, work, and volunteer experiences
4. Write an essay that answers the four (4) following questions:
 - Why are you a worthy candidate for this award?
 - What skills have you learned that you can attribute to your participation and/or service to others?
 - How has the community of Ogden contributed to your opportunity to grow as an individual?
 - What activities, or areas of service, do you plan to participate in (outside of academics) as you further your education?
5. Provide two (2) letters of recommendation (Family members cannot write a letter of recommendation)
