

SY 2022-2023 National School Lunch and Breakfast Programs

As of now, Congress has not given the USDA authority to extend waivers for the Child Nutrition Programs. The waiver to extend eligibility will run out at the end of the current school year. SY 2022-2023, students will need money in their meal account or will need an approved eligibility application on file. Students that bring their lunch from home and would like to purchase a milk will need to have money in their meal account, as well.

If you do not have an approved eligibility application on file, you may do so now. The application is on the website or you may email cindi.sprecher@ogden.k12.ia.us to receive one. These applications will be good for 30 days into the next school year.

The new application for SY 2022-2023 **WILL NOT BE AVAILABLE** or accepted until late July 2022.
